Story

Leo's Legacy team of family and friends will walk in solidarity with our NAMI extended family and friends. Together, we are the closest of strangers. Our stories weave a tapestry of undying love, unspoken pain, relentless valiance, exhausting battles, and yet, never-ending hope. I ENCOURAGE YOU TO JOIN US!!! Our family was chosen to be this year's Family Chair for the walk and my daughter Sammie will be speaking to share Leo's story. We are so very honored!

I will walk in memory of my son, Leo. I will walk in memory of Candice Miller. I will walk in memory of Preston Peterson. I will walk in memory of Derek Diekman. I will walk in honor of my mental health patients, especially the people who have nobody in their corner to support them on their path to wellness. Mostly, I walk because I know we are all paving the way, step by step, at chipping away what it might actually mean to be crazy, to be psycho, to be schizo. I pray these words will not be used anymore to further belittle and discriminate. There is much work to be done, so I will walk.

In place of one Starbucks this week, please consider donating \$5.00 to support NAMI. They are doing the hardest work in the darkest of places, and are making real changes through education, community outreach, and MN legislation.

Thank you, my friends!!
